Greetings from beautiful Camp Bond, Oklahoma! For the month of April there were four ROAM couples and one individual at the camp. Our day started at 7:30 A.M. with devotions. What a way to start the day, praising the Lord and asking for His guidance and protection. Working with Camp Director Dwight and wife, Carissa Campbell, was a joy.

### **The Work Project**

We tiled and grouted a 30' X 60' lodge floor and poured a 6' X 150' sidewalk. The new staff house was already enclosed but needed lots of inside work. The guys kept busy hanging sheetrock, installing showers, doing plumbing and some electrical and a little interior framing. The ladies deep cleaned about 25 hotel style rooms and also cleaned the snack shack getting them ready for the up-coming season. Mondays found us

cleaning those same rooms as they had been used over the weekend, thank the Lord! Lutrecia Church helped out in the office which was a blessed help and reprieve for Carissa. Paul Beck kept the lawn mowed and garbage picked up. Each working day, our gracious hosts, Dwight and Carissa provided lunch.

### **Fun and Fellowship**

We shared many times of fellowship which included a "talent" night by Lutrecia Church, Marilee Beck, Paul Beck and Carissa Campbell. We also watched a Christian DVD that night. We had a hot dog roast and after Sunday services at the Tishomingo Nazarene Church we went to dinner together.
